

New French Club for Year 1 and 2 in September!

Dear Parents/Carers,

03/07/2024

I would like to introduce you to the extra-curricular French classes at Sutton Bonington. My name is Emily and I am a registered licensee for La Jolie Ronde who is one of the UK's leading language providers. Its materials are used in thousands of primary schools to support the modern foreign language provision and enhance the in-curriculum learning.

I have a degree in French and Spanish, I have lived in France and I am passionate about teaching children to become French speakers. I have just started teaching as a licensee for La Jolie Ronde and I have previous teaching experience in French and Spanish in a secondary school for 4 years, and have seen how quickly young children, including my own, can pick up a foreign language, and how much they enjoy it! Introducing children of this age to the basic sounds and intonation of a different language assists in building confidence and lays solid foundations for future language learning.

Some of the key factors behind the success of the La Jolie Ronde Ltd teaching method include:

- Small class sizes (maximum 12 pupils)
- High quality teaching resources
- Teachers who are fluent in the language (DBS checked and insured)
- Fun activities, songs, rhymes and games incorporating speaking, listening, reading and writing, taught with lots of energy and enthusiasm!

We will be following a programme called 'Les Aventures de Minou et Trottime' where Minou (a cat) and Trottime (a mouse) have many adventures with their friends. The programme is based around the seasons so we also learn vocabulary specific to the time of year. The classes are supported by a workbook which we use during the lessons and audio material which you can access for practice at home via the La Jolie Ronde Media app.

I will be starting the new Year 1 and 2 class after the summer holiday. The class will take place on a Monday lunchtime after the children have had their lunch (12.30), for 30 minutes. The cost is £6.25 per class, payable a term at a time through Pebble, plus a one-off cost of £20 for the book, a parent guide and audio access. The first class, on 9th September, will be a free trial to see if your child enjoys it, following which you will be able to enrol your child for the rest of the term.

If you are interested in a place for your child, please follow the link and book through Pebble. Klarna is available to help spread out the payments and I have an early bird ticket available if you book during July. If you have any further questions, drop me an email or message me (details below). Places are limited and will be on a first come, first served basis. I look forward to meeting some of your children in September!

With kind regards,
Emily Forest
