

**Sutton Bonington
Primary School**

Child on Child Abuse Policy

**Approved: October 2023
Next Review: Autumn 2024**

Sutton Bonington Primary School

Child-on-Child Abuse Policy – October 2023

Introduction

At Sutton Bonington Primary School we have a zero-tolerance approach to all forms of child-on-child abuse including sexual violence, sexual harassment (SVSH) and harmful sexual behaviour (HSB). We believe that child-on-child abuse is never acceptable, and it will not be tolerated. It will **never** be passed off as “banter,” “just having a laugh,” “a part of growing up” or “boys being boys.” We will **respond to all signs, reports, and concerns** of child-on-child abuse, including those that have happened outside of our school premises, and/or online. We recognise that children are vulnerable to and capable of abusing their peers, we take such abuse as seriously as abuse perpetrated by an adult. We recognise that even if there are no reports it does not mean it is not happening, it may be the case that it is just not being reported. We acknowledge that children who have allegedly abused their peers or displayed harmful sexual behaviour are themselves vulnerable. We are committed to a whole school approach to ensure the prevention, early identification, and appropriate management of child-on-child abuse within our school and beyond.

In cases where child-on-child abuse is suspected or identified we will follow our Child Protection procedures, taking a contextual, trauma-informed, and strengths-based approach to support all children who have been affected by the situation including the victim and **alleged** perpetrator.

Policy Development

This policy has been developed to reflect the most recent Keeping Children Safe in Education (KCSiE) Statutory Guidance (1 September 2023).

This policy is available:

- Online
- On the main school network
- From the school office

This policy is reviewed and evaluated throughout the academic year. It is updated annually.

Roles and Responsibilities

All staff working with children maintain an attitude of **‘it could happen here,’** and this is especially important when considering child-on-child abuse.

The Head teacher has overall responsibility for the policy and its implementation and liaising with the Governing body, parents/carers, LA (Local Authority), and outside agencies.

Safeguarding is the responsibility of all however all staff, parents/carers and pupils need to be aware of who to report to and how to report any safeguarding concerns. The Designated Safeguarding Lead (DSL) and the Deputy DSLs in our school are Paul Allen, Kat Chubb and Kate Armstrong.

The nominated Governor with responsibility for child-on-child abuse is Theo Stavri.

Definitions

Child-on-child abuse is most likely to include, but may not be limited to:

- Bullying (including cyberbullying, prejudiced-based and discriminatory bullying)
- Abuse in intimate personal relationships between children, (sometimes known as 'teenage relationship abuse')
- Physical abuse such as hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm (this may include an online element which facilitates, threatens and/or encourages physical abuse)
- Sexual violence, such as rape, assault by penetration and sexual assault; (this may include an online element which facilitates, threatens and/or encourages sexual violence)
- Sexual harassment, such as sexual comments, remarks, jokes, and online sexual harassment, which may be standalone or part of a broader pattern of abuse
- Causing someone to engage in sexual activity without consent, such as forcing someone to strip, touch themselves sexually, or to engage in sexual activity with a third party
- Consensual and non-consensual sharing of nude or semi-nude images and/or videos (also known as sexting or youth produced sexual imagery)
- Upskirting, which typically involves taking a picture under a person's clothing without their permission, with the intention of viewing their genitals or buttocks to obtain sexual gratification, or cause the victim humiliation, distress, or alarm
- Initiation/hazing type violence and rituals (this could include activities involving harassment, abuse, or humiliation used as a way of initiating a person into a group and may also include an online element). This may also be an indicator of wider exploitation such as Child Sexual Exploitation (CSE) and/or Child Criminal Exploitation (CCE) and/or County Lines.

Recognising

At Sutton Bonington Primary School we recognise that behaviours associated with child-on-child abuse take place on a spectrum. Understanding where a child's behaviour falls on this spectrum is essential to being able to respond appropriately to it.

We recognise that all children grow and develop at their own pace. We will use our professional judgement and knowledge of child development when responding to child-on-child abuse.

Reporting and Responding

At Sutton Bonington Primary School we want children, parents/carers, staff, and visitors to confidently report abuse, knowing their concerns will be treated seriously. We recognise that our school's initial response to a report of child-on-child abuse is incredibly important - how we respond to a report can encourage or undermine the confidence of future victims to report or come forward. As a school we will also respond to reports of alleged child-on-child abuse that have occurred online or outside of school. These reports will be treated seriously, and the school remains committed to supporting and safeguarding all parties including the victim, alleged perpetrator, and any other child(ren) who may be affected.

We will make decisions on a case-by-case basis, with the Designated Safeguarding Lead (or a deputy) taking the leading role and using their professional judgement, supported by other agencies, such as the Local Authority, Children's Social Care, and the Police as appropriate. We will ensure that we reference and follow other school policies and procedures as appropriate.

We have clear reporting systems for each group of our school community. The effectiveness of these reporting systems is reviewed throughout the academic year and may be expanded to meet the needs of all members of our community.

Children (including bystanders)

It is important to understand that a victim may not find it easy to tell staff about their abuse verbally. Children can show signs or act in ways that they hope adults will notice and react to. In some cases, the victim may not make a direct report. We recognise that in some instances another child may report on another child's behalf. All children will know how to report concerns or incidents of child-on-child abuse.

We ask that all children report any concerning behaviour to a member of school staff – this can be any member of teaching or non-teaching staff, including a class teacher, a TA, the Head teacher, a lunchtime supervisor, or a member of the office team. We talk about trusted adults regularly in class and in assemblies to remind our children of who they can report concerns to.

The member of staff will listen to the child and make an initial note of their concerns, they will then discuss next steps with them and reassure them that they will be supported. In line with the statutory guidance provided in KCSIE 2023, we will never promise a child that we will not tell anyone about a report of any form of abuse, as this may not be in the best interests of the child. The member of staff will make a formal record of the concern/report on the school's safeguarding recording system (CPOMS) and other relevant members of staff will be alerted. The member of staff will directly alert the school's Designated Safeguarding Lead if the report is deemed urgent or if a child is considered at risk.

We understand that some children may find it difficult to tell a member of staff about their concerns verbally, we therefore have additional reporting mechanisms in place. Our school has a worry box in each classroom where the child can put their name/a brief note about their concerns/draw a picture of their concern – these worry boxes are introduced to the children at the start of the year and children are reminded of them regularly.

Parents/carers

We understand that parents and carers may well struggle to cope with making or receiving a report that their child has been the victim of or is an alleged perpetrator of child-on-child abuse.

In line with the statutory guidance provided in KCSIE 2023 Part 5, we will seek advice and support from other services as decided on a case-by-case basis. All decisions and actions taken by the school will consider the needs of the individual children involved, and the wider school community.

We ask that if parents/carers have concerns about their child experiencing or allegedly perpetrating child-on-child abuse, that they contact the school's Designated Safeguarding Lead/Deputy to explain their concerns. The Designated Safeguarding Lead/Deputy will take

an initial note of the concerns but may ask to schedule a meeting to allow for more time to discuss the concerns in detail. Following the report and/or the meeting, the Designated Safeguarding Lead/Deputy will make a formal record of the report using the school's recording system (CPOMS) and other relevant members of staff will be alerted. The Designated Safeguarding Lead/Deputy will seek advice from Statutory Services if the report is deemed urgent or if a pupil is considered at risk.

We ask that parents/carers to come directly to the school with their concerns rather than discussing them with other members of the school community in person or online.

Our school remains committed to supporting pupils and their families in all instances of child-on-child abuse. We will endeavour to ensure that all parties are kept informed of progress and any developments, but we will also need to show due regard to GDPR (General Data Protection Regulations) and ongoing investigations by statutory services. This may mean, at times, that we are not able to provide or share information or updates.

If a parent/carer is not satisfied with our school's actions, we ask that they follow our school's complaint policy and procedures. This is available online from our school website and on request from the school office.

Staff

Our staff work closely with our children and therefore may notice a change in a child's behaviour or attitude that might indicate that something is wrong before receiving a report from a child or a member of the school community. If staff have any concerns about a child's welfare or are concerned that a child is displaying behaviours that may show they have been the victim of or that they are perpetrating child-on-child abuse, they should act on them immediately rather than wait to be told.

We ask that staff report their concerns to a Designated Safeguarding Lead/directly to the Head teacher. The member of staff receiving the report will take an initial note of the concerns and will then make a formal record of the report using the school's recording system (CPOMS) and other relevant staff members will be alerted. The Designated Safeguarding Lead/Deputy will seek advice from Statutory Services if the report is deemed urgent or if a pupil is considered at risk.

Visitors

We ensure that all visitors to our school are aware of our Child Protection and Safeguarding procedures and which staff member they should report any concerns to (the member of staff may differ depending on the purpose of the visit e.g., supply teacher, governor, external agency etc.).

We ask that if a visitor to our school has any concerns about child-on-child abuse that they have witnessed, or have been told about, that they report their concerns at the earliest opportunity in person to the school's Designated Safeguarding Lead/the Head teacher/a member of the Senior Leadership Team. We ask that visitors report their concerns in person by the end of the school day. For example, it would not be appropriate to wait until the following day or leave a written note with concerns. The member of staff receiving the report will take an initial note of the concerns and will then make a formal record of the concerns on the school's recording system and other relevant staff members will be alerted. The Designated Safeguarding Lead/Deputy will seek advice from Statutory Services if the report is deemed urgent or if a child is considered at risk.

Recording and evaluating

We will ensure a written report is made as soon after the disclosure as possible recording the facts as presented by the child. These may be used as part of a statutory assessment if the case is escalated. We will ensure the Designated Safeguarding Lead (or deputy) will be informed as soon as possible, if they were not involved in the initial report. We will ensure that details of decisions made and reasons for decisions are recorded as well as any outcomes.

We will ensure that any 'safety plans' are recorded and kept under review. These will be kept electronically within CPOMS.

Strategies for Prevention

Our school actively seeks to raise awareness of and prevent all forms of child-on-child abuse by:

- **Staff training** – including for supply staff, governors or management committees, volunteers, and visitors.
 - ✓ Contextual safeguarding
 - ✓ Identification and classification of specific behaviours
 - ✓ Making it clear there is a **zero-tolerance approach** to child-on-child abuse (especially in relation to SVSH) that it is **never** acceptable and will not be tolerated. Ensuring it is **never** passed off as “banter,” “just having a laugh,” “a part of growing up” or “boys being boys.”
 - ✓ Recognising, acknowledging, and understanding the scale of harassment and abuse and that even if there are no reports it does not mean it is not happening, it may be the case that it is just not being reported
 - ✓ Challenging physical behaviours (potentially criminal in nature) such as grabbing bottoms, breasts, and genitalia, pulling down trousers, flicking bras and lifting up skirts
 - ✓ Challenging the attitudes that underlie such abuse (both inside and outside of the classroom)
 - ✓ Responsibilities of the Governing body / proprietors / management committee – they must be aware of their statutory safeguarding responsibilities (effective child protection policy – child-on-child abuse policy)
 - ✓ Ensuring that all child-on-child abuse issues are fed back to the safeguarding lead/team so that they can spot and address any concerning trends and identify those children who may need additional support
- **Information for children**
 - ✓ Creating an ethos and culture in which all children feel able to share their concerns openly, in a non-judgemental environment, and have them listened to
 - ✓ All children are frequently told what to do if they witness or experience any form of child-on-child abuse, the effect that it can have on those who experience it and the possible reasons for it
 - ✓ They are regularly informed about the school's approach to all forms of child-on-child abuse, including the school's zero-tolerance approach towards all forms of child-on-child abuse, the process for reporting their concerns of child-on-child abuse and where to go for further help, support, and advice
 - ✓ Educating all children about the nature and prevalence of child-on-child abuse via a well embedded RHE and PSHE curriculum
 - ✓ Challenging the attitudes that underlie such abuse (both inside and outside of the classroom)

- **Information for parents/carers**
 - ✓ Safeguarding updates as necessary
 - ✓ Challenging the attitudes that underlie child-on-child abuse – in school and/or the wider community
 - ✓ Ensuring parents /carers are aware of the ethos and culture of the school
 - ✓ Providing opportunities for parents to easily speak to pastoral staff
- **RHE (Relationships and Health Education) / PSHE curriculum**
 - ✓ The school have a clear set of values and standards, upheld, and demonstrated throughout all aspects of school life, which is supported by a planned evidence based RHE/PSHE curriculum
 - ✓ Our RHE/PSHE programme is fully inclusive and developed to be age and stage of development appropriate (especially when considering children with SEND (Special Educational Needs and Disabilities) and/or other vulnerabilities)
 - ✓ We will, through our RHE/RSHE/PSHE programme promote:
 - Healthy and respectful relationships
 - Boundaries and consent
 - Equality and raise awareness of stereotyping and prejudice
 - Body confidence and self-esteem
 - What constitutes inappropriate behaviour both physical and verbal

Breaches / Complaints

Breaches to this policy will be dealt with in the same way that breaches of other school policies are dealt with, as determined by the Head teacher and Governing Body.

If a parent/carer is not satisfied with our school's actions, we ask that they follow our school's complaint policy and procedures. This is available online from our school website, and on request from the school office.

Links with other policies

You may find it helpful to read this child-on-child abuse policy alongside the other following school policies:

Policy	How it may link
Safeguarding Policy	Includes information about child protection procedures and contextualised safeguarding
Behaviour Policy	Includes details about the school's behaviour system including potential sanctions for pupils
Anti-Bullying policy	Includes information about bullying behaviours and vulnerable groups
Online Safety	Includes information about children's online behaviour and details about online bullying/cyberbullying
Equalities Policy	Includes information about our school's approach to tackling prejudice and celebrating differences. Links to prejudice-related language and crime and the protected characteristics
RSHE Policy	Includes information about our school's RHE programme and how we teach about healthy relationships, friendships, and bullying
Complaints Policy	Includes information about how to make a complaint if you are not satisfied with the school's response

Monitoring and Review

This policy is reviewed and evaluated throughout the academic year. It is updated annually.

Date approved by the Governing Body: Autumn 2023

Date to be reviewed: Autumn 2024

Appendix 1

Simon Hackett (2010) has proposed a continuum model to demonstrate the range of sexual behaviours presented by children and young people, from those that are normal, to those that are highly deviant:

Responding to children who display sexualised behaviour

It's important to be able to distinguish developmentally typical sexual behaviours from those that may be problematic or harmful, and make sure children get appropriate support. Always consider the child's holistic needs and safeguarding concerns alongside any sexualised behaviour and follow due procedures accordingly. This guide is a tool to support objective decision making about a child or young person's sexual behaviour and does not replace professional judgement or policy and legislation. Visit nspcc.org.uk/hsb for more information.

Appendix 2

Brook sexual behaviours traffic light tool

Behaviours: age 0 to 5

All green, amber and red behaviours require some form of attention and response. It is the level of intervention that will vary.

What is a green behaviour?

Green behaviours reflect safe and healthy sexual development. They are displayed between children or young people of similar age or developmental ability. They are reflective of natural curiosity, experimentation, consensual activities and positive choices

What can you do?

Green behaviours provide opportunities to give positive feedback and additional information.

Green behaviours

- holding or playing with own genitals
- attempting to touch or curiosity about other children's genitals
- attempting to touch or curiosity about breasts, bottoms or genitals of adults
- games e.g. mummies and daddies,
- doctors and nurses
- enjoying nakedness
- interest in body parts and what they do
- curiosity about the differences between boys and girls

What is an amber behaviour?

Amber behaviours have the potential to be outside of safe and healthy behaviour. They may be of potential concern due to age, or developmental differences. A potential concern due to activity type, frequency, duration or context in which they occur.

What can you do?

Amber behaviours signal the need to take notice and gather information to assess the appropriate action.

Amber behaviours

- preoccupation with adult sexual
- behaviour
- pulling other children's pants down/skirts up/trousers down against their will
- talking about sex using adult slang
-
- preoccupation with touching the genitals of other people
- following others into toilets or changing rooms to look at them or touch them
- talking about sexual activities seen on TV/online

What is a red behaviour?

Red behaviours are outside of safe and healthy behaviour. They may be excessive, secretive, compulsive, coercive, degrading or threatening and involving significant age, developmental, or power differences. They may pose a concern due to the activity type, frequency, duration or the context in which they occur

What can you do?

Red behaviours indicate a need for immediate intervention and action.

Red behaviours

- persistently touching the genitals of other children
- persistent attempts to touch the genitals of adults
- simulation of sexual activity in play
- sexual behaviour between young children involving penetration with objects
- forcing other children to engage in sexual play

Behaviours: age 5 to 9 and 9 to 13

All green, amber and red behaviours require some form of attention and response. It is the level of intervention that will vary.

What is a green behaviour?

Green behaviours reflect safe and healthy sexual development. They are displayed between children or young people of similar age or developmental ability and reflective of natural curiosity, experimentation, consensual activities and positive choices

What can you do?

Green behaviours provide opportunities to give positive feedback and additional information.

Green behaviours 5-9

- feeling and touching own genitals
- curiosity about other children's genitals
- curiosity about sex and relationships, e.g. differences between boys and girls, how sex happens, where babies come from, same-sex relationships
- sense of privacy about bodies
- telling stories or asking questions using swear and slang words for parts of the body

Green behaviours 9-13

- solitary masturbation
- use of sexual language including swear and slang words
- having girl/boyfriends who are of the same, opposite or any gender
- interest in popular culture, e.g. fashion, music, media, online games, chatting online
- need for privacy
- consensual kissing, hugging, holding hands with peers

What is an amber behaviour?

Amber behaviours have the potential to be outside of safe and healthy behaviour. They may be of potential concern due to age, or developmental differences. A potential concern due to activity type, frequency, duration or context in which they occur.

What can you do?

Amber behaviours signal the need to take notice and gather information to assess the appropriate action.

Amber behaviours 5-9

- questions about sexual activity which persist or are repeated frequently, despite an answer having been given
- sexual bullying face to face or through texts or online messaging
- engaging in mutual masturbation
- persistent sexual images and ideas in talk, play and art
- use of adult slang language to discuss sex

Amber behaviours 9-13

- uncharacteristic and risk-related behaviour, e.g. sudden and/or provocative changes in dress, withdrawal from friends, mixing with new or older people, having more or less money than usual, going missing
- verbal, physical or cyber/virtual sexual bullying involving sexual aggression
- LGBT (lesbian, gay, bisexual, transgender) targeted bullying
- exhibitionism, e.g. flashing or mooning
- giving out contact details online
- viewing pornographic material

- worrying about being pregnant or having STIs

What is a red behaviour?

Red behaviours are outside of safe and healthy behaviour. They may be excessive, secretive, compulsive, coercive, degrading or threatening and involving significant age, developmental or power differences. They may pose a concern due to the activity type, frequency, duration or the context in which they occur

What can you do?

Red behaviours indicate a need for immediate intervention and action.

Red behaviours 5-9

- frequent masturbation in front of others
- sexual behaviour engaging significantly younger or less able children
- forcing other children to take part in
- sexual activities
- simulation of oral or penetrative sex
- sourcing pornographic material online

Red behaviours 9-13

- exposing genitals or masturbating in public
- distributing naked or sexually provocative images of self or others
- sexually explicit talk with younger children
- sexual harassment
- arranging to meet with an online acquaintance in secret
- genital injury to self or others
- forcing other children of same age, younger or less able to take part in sexual activities

- sexual activity e.g. oral sex or intercourse
- presence of sexually transmitted infection (STI)
- evidence of pregnancy

Behaviours: age 13 to 17

All green, amber and red behaviours require some form of attention and response. It is the level of intervention that will vary.

What is a green behaviour?

Green behaviours reflect safe and healthy sexual development. They are displayed between children or young people of similar age or developmental ability and reflective of natural curiosity, experimentation, consensual activities and positive choices

What can you do?

Green behaviours provide opportunities to give positive feedback and additional information.

Green behaviours

- solitary masturbation
- sexually explicit conversations with peers
- obscenities and jokes within the current cultural norm
- interest in erotica/pornography
- use of internet/e-media to chat online
- having sexual or non-sexual relationships
- sexual activity including hugging, kissing, holding hands
- consenting oral and/or penetrative sex with others of the same or opposite gender who are of similar age and developmental ability
- choosing not to be sexually active

What is an amber behaviour?

Amber behaviours have the potential to be outside of safe and healthy behaviour. They may be of potential concern due to age, or developmental differences. A potential concern due to activity type, frequency, duration or context in which they occur.

What can you do?

Amber behaviours signal the need to take notice and gather information to assess the appropriate action.

Amber behaviours

- accessing exploitative or violent pornography
- uncharacteristic and risk-related behaviour, e.g. sudden and/or provocative changes in dress,
- withdrawal from friends, mixing with new or older people, having more or less money than usual, going missing
- concern about body image
- taking and sending naked or sexually provocative images of self or others
- single occurrence of peeping, exposing, mooning or obscene gestures
- giving out contact details online
- joining adult- only social networking sites and giving false personal information
- arranging a face to face meeting with an online contact alone

What is a red behaviour?

Red behaviours are outside of safe and healthy behaviour. They may be excessive, secretive, compulsive, coercive, degrading or threatening and involving significant age, developmental or power differences. They may pose a concern due to the activity type, frequency, duration or the context in which they occur

What can you do?

Red behaviours indicate a need for immediate intervention and action.

Red behaviours

- exposing genitals or masturbating in public
- preoccupation with sex, which interferes with daily function
- sexual degradation/humiliation of self or others
- attempting/forcing others to expose genitals
- sexually aggressive/exploitative behaviour
- sexually explicit talk with younger children
- sexual harassment
- non-consensual sexual activity
- use of/acceptance of power and control in sexual relationships
- genital injury to self or others
- sexual contact with others where there
- is a big difference in age or ability
- sexual activity with someone in authority and in a position of trust
- sexual activity with family members

- involvement in sexual exploitation and/or trafficking
- sexual contact with animals
- receipt of gifts or money in exchange for sex
