

First Floor GA

1 : 100

DISCLAIMER
 All content within these drawings is the property of Space Zero. Sharing, distribution or reproduction of any content is expressly prohibited without Space Zero's prior written consent. These drawings are to be read in conjunction with all other Space Zero project information. Whilst Space Zero aims to comply with current regulations and guidance through the design process, all regulatory obligations should be ratified before the next stages commence. Drawings show design intent only and must not be used for manufacturing or installation purposes. FF&E providers must supply their own construction level drawings. Dimensions shown are to demonstrate space planning and are for reference only. Do not scale from the drawings. Specifications may be adjusted through further design development by the appointed FF&E provider who is responsible for complying with the product requirements. Space Zero takes no responsibility for any third-party specification changes beyond its scope remit. Design intent has been developed through the engagement process and may not reflect the original plans. Third parties are responsible for checking they are working with the current Space Zero drawings. These drawings must be read in conjunction with the CDM2015 Register to identify responsibilities, mitigating actions and residual risk. Products displayed in drawing may be based on generic BIM files. Consideration should be taken to check product data information in conjunction with all Space Zero drawings.
